WARNING TAPE

Code: WR BY1029

Description

Safety and Warning for Factory Automation tapes are designed to help identify safe walkways, hazards, storage areas and safety equipment in industrial environments. The continuous tape format is an easy to apply, low cost alternative to paint. For different demands, TE Connectivity offers the Safety and Warning continuous tapes in various sizes. The industry-recognized tapes mark specific areas as determined by OSHA and ANSI 535 and can be applied without the use of tools
